April 28 – It was so good to go back to Guyana and meet so many of our friends. Our trip back to Houston was a real challenge for the pilot as we landed in a thunder storm with lightning and low visibility. The plane, as big as it was, was like a cork on the water. We could not see a thing until a few hundred feet from the ground. People were really scared! Nancy was not sure we were going to make it for our 50-year anniversary!!!! Where we live was in blackout and the streets are flooded today in many places. Ruth could not get to work as yet. Many schools are closed. They had 8-9 inches of rain last night. Our street was flooded with water up in the yard, which I never saw before. Well, we thank the Lord we are all safe and now trying to get caught up after being gone 3 weeks. We really had a wonderful trip! Thanks for your prayers.
