Theme: "Growing In Service" – includes the discernment and use of one's spiritual gift(s).

A thought to ponder: That is what Paul means in saying "Tribulation produces perseverance [i.e. endurance]; And perseverance... hope." (Rom. 5:3-4) To help His faithful in tribulations the Lord has promised this—they truly feel (when in patience they stand, sustained by His hand), something by their strength they could not do. Patience [endurance] then is proof to the saints that God truly gives the help He promised, when there is need of it. By it also their hope is strengthened, because it would be gross ingratitude not to expect that, for the future, God's truth will be as firm and unchangeable as it has already proved to be. —*John Calvin*
